

MARMO+MAC

THE BIGGEST STONE + DESIGN + TECHNOLOGY TRADE FAIR

25|28 SEPTEMBER 2019 Verona, Italy

STONE TECHNOLOGY CONFERENCE

#	Country	Position	Company	Website	Company activity	Company Activity - Specifications	Italian Merceological sectors of real interest and for near future purchasing in Italy	Target Objectives	Summary of objectives to come to Italy	Target Profile
1	ALGERIA	Manager	Buitech Mazari Sidi Mohammed El Khallil		(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (I) Institutional, Services, Design, Testing, Training, Researching Organization, (P.O.) Other Stone Processing (please specify in the next question)	production of work plan, production of markets, floor covering for villa, floor covering for shopping centers	(A) Accessories for surface treatments, installation technologies and software for processing, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (S) Italian Marble/Granite/Stone Slabs	Meeting new machine supplier and suppliers of natural stones	Buy new processing machines, Set up commercial agreements for trade and in particular for import from Italy, Buy Used Machine, Buy Stone Slabs in Italy	Producer of machine Supplier of granite marble and other stone Discover new production technique
2	ALGERIA	Manager	Builstone Boublenza Sidi Mohammed Tewfik		(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (I) Institutional, Services, Design, Testing, Training, Researching Organization, (P.O.) Other Stone Processing (please specify in the next question)	production of the kitchen worktop, production of lavas hands and special works	(A) Accessories for surface treatments, installation technologies and software for processing, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (S) Italian Marble/Granite/Stone Slabs	to develop and optimize my production and to know the novelties	Buy new processing machines, Set up commercial agreements for trade and in particular for import from Italy, Buy Used Machine, Buy Stone Slabs in Italy	Meeting of machine producers and suppliers of natural stones and stones reconstitute.
3	ALGERIA	Production Manager	Zidani Marble SARL		(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs)	Marbrerie Industrielle	(B) Italian Marbles/Granite/Stone Blocks, (P.G.) Machinery and Technologies for Granite for existing processing plant	PROSPECTION DE NOUVEAU FOURNISSEUR EN MARBRE ET GRANIT ACHAT DE NOUVEAU EQUIPEMENT	Buy new processing machines, Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular for import from Italy, Buy Stone Blocks in Italy, Buy Stone Slabs in Italy	Promotec SRL, Simec SRL, Faedo SRL
4	ALGERIA	General Manager	Timgad Marble SARL	www.timgadmarbre.com	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (P.G.) Granite Processing (from blocks to final products), (P.M.) Marble/Limestone Processing (from blocks to final products)	Importation and processing of marble and granite	technologies and software for processing, (B) Italian Marbles/Granite/Stone Blocks, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.G.) Machinery and Technologies for Granite for existing processing plant, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (P.N.) Machinery and Technologies for new processing factory to build, (Q.G.) Quarrying Machinery and Technologies for Granite for existing Granite quarry	Consolidate and creating new links with Italian companies	Buy new processing machines, Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular for import from Italy	We work with many company for marble & granite we need all quality of Italian marble granite.
5	ALGERIA	Owner	Chekal pour le Granit et Marble EURL	www.marbre-granit.com/marble	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (T) Trader of machines, consumables and stone materials (please specify in the next question)	Cut and polishing	(C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (S) Italian Marble/Granite/Stone Slabs	To buy marble ,granit and machine	Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular for import from Italy, Buy Stone Slabs in Italy	Machine company and marble company.
6	ALGERIA	Production Manager	El Habwa Marble & Granite EURL		(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), Production processing marketing of marble and granite	Production processing marketing of marble and granite	(B) Italian Marbles/Granite/Stone Blocks, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.G.) Machinery and Technologies for Granite for existing processing plant, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (S) Italian Marble/Granite/Stone Slabs	looking for new Italian partners to purchase of marble ,granite and new machines	Buy new processing machines, Set up commercial agreements for trade and in particular for import from Italy, Buy Stone Slabs in Italy	Looking for new Italian partners to purchase of marble ,granite and new machines like Breton, Pedrini, GBC Marmi.
7	ALGERIA	Manager	El Habwa Marble & Granite EURL		(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), Production processing marketing of marble and granite	Production processing marketing of marble and granite	(B) Italian Marbles/Granite/Stone Blocks, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.G.) Machinery and Technologies for Granite for existing processing plant, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (S) Italian Marble/Granite/Stone Slabs	looking for new Italian partners to purchase of marble ,granite and new machines	Buy new quarrying machines, Buy new processing machines, Set up commercial agreements for trade and in particular to export to Italy, Buy Stone Slabs in Italy	looking for new Italian partners to purchase of marble ,granite and new machines like Breton company , PEDRINI ? GBC MARM!
8	ANGOLA	Production Manager	Mota-Engil Angola	www.mea.co.ao	(C) Construction Company, (F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (Q.M.) Marble/Limestone Quarry Owner, (Q.O.) Other Stone Quarry Owner (please specify in the next question), (P.G.) Granite Processing (from blocks to final products), (P.M.) Marble/Limestone Processing (from blocks to final products)	Construction Company, with departments in all the construction related activities, Civil construction, Infrastructures, Mining, Quarries, Concrete, Asphalt Geotechnical, and others.	(A) Accessories for surface treatments, installation technologies and software for processing, (Q.N.) Quarrying Machinery and Technologies for new quarry to open	Get to know the technologies and machinery available for the activity, suppliers and eventual partners for new projects.	Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular for import from Italy, Set up commercial agreements for trade and in particular to export to Italy	Equipment owners and suppliers to help developing new projects in Angola, Marble, Granit and others.
9	CROATIA	School Principal	Klesarska škola	http://ss-klesarska-pucisca.skole.hr	(I) Institutional, Services, Design, Testing, Training, Researching Organization	educate stonemasons and stonemason technicians. After graduation our students work in the stonemasons workshops and also in quarries. Lots of them continue education on different studies like civil engineering, architecture, stone restoration, sculpturing.	(C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.N.) Machinery and Technologies for new processing factory to build	Meeting with state of the arts way of protection of limestones, processing machines and software for new school workshop and meeting with possible new partners for my school.	Updating and find out "new" technologies, materials, software, accessories	I hope that some of the companies are interested in educating students to use their tools, machines or their software or help to buy it with some education discount. We are interested in knowledge transfere in any sence.
10	EGYPT	CEO	Image Engraved Marble and Mosaics	www.imagemarble.com	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs)	production of stone mosaics and engraved marble	(A) Accessories for surface treatments, installation technologies and software for processing, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant	exploring and purchasing tools and machines for new surface finishes	Buy new processing machines, Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular to export to Italy	producer of surface finishing machines-importer of stone mosaics
11	EGYPT	Owner & General manager	Granita Egypt	www.granita-egypt.com	(Q.G.) Granite Quarry Owner, (P.G.) Granite Processing (from blocks to final products)	Quarrier and manufacturer of Egyptian granites	(A) Accessories for surface treatments, installation technologies and software for processing, (B) Italian Marbles/Granite/Stone Blocks, (P.G.) Machinery and Technologies for Granite for existing processing plant, (Q.G.) Quarrying Machinery and Technologies for Granite for existing Granite quarry, (Q.N.) Quarrying Machinery and Technologies for new quarry to open	Explore latest technology to buy for granite quarrying and processing	Buy new quarrying machines, Buy new processing machines, Updating and find out "new" technologies, materials, software, accessories, Buy Stone Blocks in Italy	Granite quarrying machine companies
12	EGYPT	Chairman of the Board	Misr 2000		(P.M.) Marble/Limestone Processing (from blocks to final products)	Manufacturing marble blocks to slabs and importing and exporting all kind and shapes of marble	(B) Italian Marbles/Granite/Stone Blocks, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant	Getting offers of marble block sawing and processing machines and renewing the factory Turkish machines by another Italian Machines	Buy new processing machines, Buy Stone Blocks in Italy	Companies For manufacturing and processing marble blocks
13	EGYPT	Member of the Board of Directors	Africa Stone Mining and Factoring		(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (Q.G.) Granite Quarry Owner	Granite Quarry Owner	(Q.G.) Quarrying Machinery and Technologies for Granite for existing Granite quarry	Quarrying Machinery and Technologies for new quarry to open	Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular to export to Italy	Set up commercial agreements for trade and in particular to export to Italy
14	EGYPT	Vice President	Cairomarble		(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (P.G.) Granite Processing (from blocks to final products), (P.M.) Marble/Limestone Processing (from blocks to final products)	My factory is manufacturing marble and granit full production	(A) Accessories for surface treatments, installation technologies and software for processing, (B) Italian Marbles/Granite/Stone Blocks, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (P.N.) Machinery and Technologies for new processing factory to build, (S) Italian Marble/Granite/Stone Slabs	Buy new or used machine and buy stone blocks and slabs	Buy new processing machines, Updating and find out "new" technologies, materials, software, accessories, Buy Used Machine, Buy Stone Blocks in Italy, Buy Stone Slabs in Italy	Pedriny ,bm , breton company
15	EGYPT	Owner	Marmolinda for Marble & Granite	www.marmolinda.com	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (I) Institutional, Services, Design, Testing, Training, Researching Organization, (Q.M.) Marble/Limestone Quarry Owner, (Q.O.) Other Stone Quarry Owner (please specify in the next question), (P.M.) Marble/Limestone Processing (from blocks to final products)	import & export & stone quarry owner	(B) Italian Marbles/Granite/Stone Blocks, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (P.N.) Machinery and Technologies for new processing factory to build	Joint cooperation in the field of marble industry and the purchase of machinery for our factory	Buy new quarrying machines, Buy new processing machines, Set up commercial agreements for trade and in particular for import from Italy, Set up commercial agreements for trade and in particular to export to Italy, Buy Used Machine, Buy Stone Blocks in Italy, Buy Stone Slabs in Italy	buy machine & blocks & any new product marble
16	ESTONIA	Owner	Gildemann OÜ	www.kamin.ee	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (I) Institutional, Services, Design, Testing, Training, Researching Organization, (Q.M.) Marble/Limestone Quarry Owner, (P.M.) Marble/Limestone Processing (from blocks to final products)	Mining and processing dolomite (from blocks to final products). More: www.kamin.ee	(A) Accessories for surface treatments, installation technologies and software for processing, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant	We are especially interested in modern technology for processing limestone/dolomite. In addition different surface treatment possibilities.	Buy new processing machines, Updating and find out "new" technologies, materials, software, accessories, Buy Used Machine	We are very interested to see stone processing different possibilities and new technologies. Also different surface treatment possibilities.

17	ETHIOPIA	Owner and CEO	Tsegaye Marble Products Processing Plant TMPPP	www.tsegayemarble.com	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (Q.M.) Marble/Limestone Quarry Owner	We are involved in marble quarrying and marble processing, we are currently working on our expansion project on both our quarry site and our processing plant.	technologies and software for processing, (P.G.) Machinery and Technologies for Granite for existing processing plant, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (P.N.) Machinery and Technologies for new processing factory to build, (Q.M.) Quarrying Machinery and Technologies for existing Marble/Limestone quarry, (Q.N.) Quarrying Machinery and Technologies for new quarry to open	Our main objective is on collaborating with Italian marble processing machinery suppliers for our expansion project. our current marble tiles processing line was supplied by Pedrini Italy, so our believe on Italian machinery quality is very high.	Buy new quarrying machines, Buy new processing machines, Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular to export to Italy	We have been working with Pedrini Spa (all our marble processing machinery were supplied by them) and Pulitor (diamond tools suppliers) and Dallas spa (polishing stones suppliers) since 2012. We are also interested in working with Italian quarry machinery suppliers on our up coming expansion projects as well.
18	GHANA	Owner & CEO	Famieh Consortium LTD		(C) Construction Company, (F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (I) Institutional, Services, Design, Testing, Training, Researching Organization, (T) Trader of machines, consumables and stone materials (please specify in the next question)	Hotels and Estate building, Granite and Marble Production Company, Petroleum and Gaz, Pharmaceutical Industry, General Merchant and trade, Government Consultant Services	(A) Accessories for surface treatments, installation technologies and software for processing, (B) Italian Marbles/Granite/Stone Blocks, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (P.N.) Machinery and Technologies for new processing factory to build, (Q.G.) Quarrying Machinery and Technologies for Granite for existing Granite quarry, (S) Italian Marble/Granite/Stone Slabs	Company to create new a marble and granite processing plant in Ghana. To buy plant machineries from Italy. The company to buy granite and marbles for the biggest shopping mall, Ghana International Mall in Ghana of 107000metre square.	Buy new quarrying machines, Buy new processing machines, Set up commercial agreements for trade and in particular for import from Italy, Buy Stone Slabs in Italy	To meet marble and granite processing plant manufacturers. To meet up with manufacturers and sellers of marbles and granites to buy their products for our biggest new built shopping mall and hotel in Ghana.
19	GHANA	Chairman	Stone Depot LTD	www.stonedepotgh.com	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs)	Fabricator	technologies and software for processing, (B) Italian Marbles/Granite/Stone Blocks, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.G.) Machinery and Technologies for Granite for existing processing plant, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (P.N.) Machinery and Technologies for new processing factory to build, (Q.G.) Quarrying Machinery and Technologies for Granite for existing Granite quarry, (Q.M.) Quarrying Machinery and Technologies for existing Marble/Limestone quarry, (Q.N.) Quarrying Machinery and Technologies for new quarry to open, (S) Italian Marble/Granite/Stone Slabs	Meet suppliers and learn about new technologies	Buy new quarrying machines, Buy new processing machines, Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular to export to Italy, Buy Stone Slabs in Italy	Slab and machinery producers
20	IRAN	CEO	Yazd Azarin Stone	www.azaringroup.com	(Q.M.) Marble/Limestone Quarry Owner, (Q.O.) Other Stone Quarry Owner (please specify in the next question), (P.M.) Marble/Limestone Processing (from blocks to final products)	Our company is producer of marbles and travertines from tile and we started to extract of travertine and marble quarries since 4 years ago , we owner of two quarries now, we have final product with Italian machines (Simec s.p.a)	(P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (P.N.) Machinery and Technologies for new processing factory to build, (Q.M.) Quarrying Machinery and Technologies for existing Marble/Limestone quarry, (Q.N.) Quarrying Machinery and Technologies for new quarry to open	My target is more appointments of machines companies and direct connections with them and transfer to my company and member of our association, about above marked subjects.	Buy new quarrying machines, Buy new processing machines, Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular to export to Italy, Buy Used Machine	I'd like to meet the companies who make barter our products with above technologies and Italian merchandises to buyback terms , because of the sanctions on Iran.
21	IRAN	Member of the Board	Iran Stone Association	www.stoneassociation.ir	Supporting of the total value chain in the stone industry such as quarrying .	stone industry such as quarrying , processing , lithograph , machinery , consumer accessories and export. Collaboration with the public and private agencies about the removing obstacles and problems of the stone industry. Drafting strategy stone industry , specify the problems in industry and provide appropriate	(C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (Q.G.) Quarrying Machinery and Technologies for Granite for existing Granite quarry, Buying supplies	Teaching learning and upgrading knowledge of stone processing and extraction in factories and mines	Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular for import from Italy, Set up commercial agreements for trade and in particular to export to Italy	Attend a meeting- For import of mineral and factory supplies to Iran- Offer to cooperate to export marble and onix blocks to Italy
22	IRAN	Technical Manager	International Research & Study Center Of Building Stones Of Iran - Islamic Azad University - Khomeinishar Branch	www.iauaksh.ac.ir	(C) Construction Company, Research & Study Center of Natural & Building Stone.	A wide variety of subjects in different fields are taught in this university. Specialized and dedicated staff members, strong academic curricula, well-equipped workshops and laboratories are major reasons why students choose this university.	technologies and software for processing, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.G.) Machinery and Technologies for Granite for existing processing plant, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (P.N.) Machinery and Technologies for new processing factory to build, (Q.G.) Quarrying Machinery and Technologies for Granite for existing Granite quarry, (Q.M.) Quarrying Machinery and Technologies for existing Marble/Limestone quarry, (Q.N.) Quarrying Machinery and Technologies for new quarry to open, (Q.O.) Quarrying Machinery and Technologies for other stone types, (S) Italian Marble/Granite/Stone Slabs, Training and Education in Stone Industry	Establish a joint training and skill center between our center and your company	Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular for import from Italy, Set up commercial agreements for trade and in particular to export to Italy	I am keen to have specialized meetings with universities and training centers and research. I can also talk about student exchanges. Visit the stone mines and the best processing plants.
23	IRAN	Architecture and R&D Manager	Raad Stone	www.raadstone.com	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (Q.M.) Marble/Limestone Quarry Owner, (P.M.) Marble/Limestone Processing (from blocks to final products)	Raad Stone company is owner of Shayan beige marble as one of the famous Iranian beige marble in the world, also, the company processes this material in its factory in Tehran.	technologies and software for processing, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (P.N.) Quarrying Machinery and Technologies for existing Marble/Limestone quarry, (S) Italian Marble/Granite/Stone Slabs	To know more about new technologies and trends in stone sector for interior and exterior architectural design.	Buy new quarrying machines, Buy new processing machines, Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular for import from Italy	New technology machinery producers, Italian marble and granite factories, Designers and Architectural companies.
24	IRAN	Sales Manager	Kowsar Mines & Industrial Development Investment Co.	www.kowsarmining.com	(Q.M.) Marble/Limestone Quarry Owner, (Q.O.) Other Stone Quarry Owner (please specify in the next question), Onyx Quarry Owner	Kowsar Mines & Industrial Development Investment company. whit over thirty years of experience in producing various type stone block such as Marble & Onyx it's one of the largest stone block producer in Iran. This company has twelve mines in Kurdistan province and three mines in Lorestan province. its famous mines include Babashurab and Quaslan in Kurdistan province that has a worldwide reputation and its stone blocks have been export to many different countries such as china and Italy	(P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (P.N.) Machinery and Technologies for new processing factory to build, (Q.M.) Quarrying Machinery and Technologies for existing Marble/Limestone quarry, (Q.N.) Quarrying Machinery and Technologies for new quarry to open, (Q.O.) Quarrying Machinery and Technologies for other stone types	1-Investigation and purchase of new mining machinery for use in stone quarry. 2-Search and find several marble and onyx factories to sell quality stone blocks to them as well as search for new business partner to create partnership for exporting out stone or stone blocks to Europe. 3-Search for new and suitable machinery for stone processing especially onyx for the production of stone artifacts.	Buy new quarrying machines, Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular for import from Italy, Set up commercial agreements for trade and in particular to export to Italy	machinery from same of Italy's best producers such as PELLEGRINI and MICHELETTI and ... for use in its mines. 2-The kowsar company is considering investing and setting up a stone processing plant and stone artifacts in Iran which makes as interested in processing machinery such as BRETON and other well-known manufacturers. 3-Kowsar mines and industrial development investment company has the ability to produce large volumes of stone block such as marble and onyx, thus looking for partner capable of exporting such stone to Italy and elsewhere in the world.
25	JORDAN	CEO & Owner	Subieh Stone Art	http://subiehartstone.com.jo	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (P.M.) Marble/Limestone Processing (from blocks to final products)	Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs)	(A) Accessories for surface treatments, installation technologies and software for processing, (B) Italian Marbles/Granite/Stone Blocks, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.G.) Machinery and Technologies for Granite for existing processing plant, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (P.N.) Machinery and Technologies for new processing factory to build	Set up commercial agreements for trade and in particular for import/export from Italy	Buy new processing machines, Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular to export to Italy, Buy Stone Blocks in Italy, Buy Stone Slabs in Italy	interested in high profile Marble Manufacturers with quality certificates
26	JORDAN	Owner and General Manager	The Eco Stone Company	www.theeco-stone.com	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (I) Institutional, Services, Design, Testing, Training, Researching Organization, (Q.M.) Marble/Limestone Quarry Owner, (T) Trader of machines, consumables and stone materials (please specify in the next question)	Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs)	(A) Accessories for surface treatments, installation technologies and software for processing, (B) Italian Marbles/Granite/Stone Blocks, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.G.) Machinery and Technologies for Granite for existing processing plant, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (P.N.) Machinery and Technologies for new processing factory to build	Set up commercial agreements for trade and in particular for import/export from Italy	Buy new processing machines, Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular for import from Italy	interested in high profile Marble Manufacturers with quality certificates
27	JORDAN	General Manager	Al Junaidi for Marble and Granite	www.junaidimrble.com	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs)	we are marble granite company we are importing blocks , slabs and cut it to diffident size and shape	technologies and software for processing, (B) Italian Marbles/Granite/Stone Blocks, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.G.) Machinery and Technologies for Granite for existing processing plant, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (P.N.) Machinery and Technologies for new processing factory to build, (S) Italian Marble/Granite/Stone Slabs	Import my demands from marbles , granite , lime stone machines , spear parts , meeting new suppliers , and meet our last suppliers , meet lot of the companies which participate in marmomacc 2019 to see the new technology in the sector	Buy new processing machines, Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular for import from Italy, Set up commercial agreements for trade and in particular to export to Italy, Buy Used Machine, Buy Stone Blocks in Italy, Buy Stone Slabs in Italy	marble , granite , lime stone companies , machines companies

28	LATVIA	CEO	Sia Mostest	www.marbleart.lv	(C) Construction Company, (F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), STONE INSTALLATION, REPAIRING, CLEANING	WE HAVE WORKSHOP. PROCESSING PLANT. INSTALLATION EQUIPMENT TO MEET OUR CUSTOMERS NEEDS.	Technologies and software for processing, (B) Italian Marbles/Granite/Stone Blocks, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.G.) Machinery and Technologies for Granite for existing processing plant, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (P.N.) Machinery and Technologies for new processing factory to build, (Q.G.) Quarrying Machinery and Technologies for Granite for existing Granite quarry, (Q.M.) Quarrying Machinery and Technologies for existing Marble/Limestone quarry, (Q.N.) Quarrying Machinery and Technologies for new quarry to open, (Q.O.) Quarrying Machinery and Technologies for other stone types, (S) Italian Marble/Granite/Stone Slabs, STONE CHEMICALS TO CARE, REPAIR. ON SITE INSTALLATION	TO GET NEW KNOWLEDGES, PARTNERS	Buy new processing machines, Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular for import from Italy, Buy Used Machine, Buy Stone Slabs in Italy	To meet as big and well known brand companies and to know new companies with new products, res solutions. New ways how to meet customers requirements (More innovative machines, Chemicals, Equipment, Suppliers).
29	LEBANON	Owner	Ste Elie N. Mattar & Fils	www.mattargroup.com	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (I) Institutional, Services, Design, Testing, Training, Researching Organization, (P.M.) Marble/Limestone Processing (from blocks to final products), (P.O.) Other Stone Processing (please specify in the next question)	in 1939. We have started in transforming blocks into a cut to size materials. 20 years ago and in order to fulfill our clients needs we have added new materials such as adhesives, waterproofing membranes grouts as well as an engineering department in order to help our clients with all specifications drawings and to choose which materials to be used. A new department was added for new methods of	(B) Italian Marbles/Granite/Stone Blocks, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (P.N.) Machinery and Technologies for new processing factory to build, (S) Italian Marble/Granite/Stone Slabs	Meet new people in our field, to be up to date with all machineries and materials that are used in our company.	Buy new processing machines, Updating and find out "new" technologies, materials, software, accessories, Buy Stone Blocks in Italy, Buy Stone Slabs in Italy	Discovering New Stone materials, machines builder, quarry owners.
30	LEBANON	Owner	Karam Stones SARRL	www.facebook.com/pg/karamstones/about/?ref	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (Q.M.) Marble/Limestone Quarry Owner	Marble stones granite fabricator producer	(A) Accessories for surface treatments, installation technologies and software for processing, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant	Training	Updating and find out "new" technologies, materials, software, accessories	Suppliers.
31	LEBANON	Owner	Kamico Marble & Granite	www.kamico.com	(P.M.) Marble/Limestone Processing (from blocks to final products)	Design and execute Luxury Projects	(A) Accessories for surface treatments, installation technologies and software for processing, (B) Italian Marbles/Granite/Stone Blocks, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals	sources of blocks and materials for surface treatment	Buy new processing machines, Set up commercial agreements for trade and in particular for import from Italy, Buy Used Machine	Cooperation of companies for White blocks.
32	NIGERIA	CEO	Cibi Nigeria LTD	www.cibigranite.com	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (Q.M.) Marble/Limestone Quarry Owner, (Q.G.) Granite Quarry Owner, (P.G.) Granite Processing (from blocks to final products)	Granite Quarrying & Tile/Slab Processing	(A) Accessories for surface treatments, installation technologies and software for processing, (C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant	Business Collaboration to expand operations in Nigeria	Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular to export to Italy	Cardoro
33	PAKISTAN	Chief Executive and Director	S.S. Stone PVT LTD	www.ss-stone.pk	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (Q.G.) Granite Quarry Owner, (P.G.) Granite Processing (from blocks to final products), ONYX	Marble, Stone, Granite Fabricator and Producers	Marble/Limestone for existing processing plant, (Q.G.) Quarrying Machinery and Technologies for Granite for existing Granite quarry	To Find out new technologies	Set up commercial agreements for trade and in particular to export to Italy, Buy Stone Blocks in Italy	To Find out new Italian technologies, looking for JV.
34	PAKISTAN	Managing Director	Marina Industries	www.marinaindustries.com	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (Q.G.) Granite Quarry Owner, (P.G.) Granite Processing (from blocks to final products)	Marble, Stone, Granite Fabricator and Producers	(C) Natural Stone Processing Consumables, Tools, Resins, Chemicals, (P.M.) Machinery and Technologies for Marble/Limestone for existing processing plant, (Q.G.) Quarrying Machinery and Technologies for Granite for existing Granite quarry	To Find out new technologies To explore the new technologies regarding marble & granite and find new buyers to exports Italy	Updating and find out "new" technologies, materials, software, accessories, Set up commercial agreements for trade and in particular to export to Italy	To explore new technologies regarding marble & granite sector.
35	PAKISTAN	Owner	Sanco	www.sancomarble.com	(F) Marble/Stone/Granite Fabricator/Producer/Workshop (from slabs), (Q.G.)
